

Dear EIT RawMaterials Partners,

For the first time, EIT RawMaterials will test a [Speed-Networking Platform](#) to help you get the most out of the Brokerage event in Berlin on 15 October.

Through this platform, you will be able to:

- define your organization profile
- define what you are offering and what you are looking for
- browse other attendees' profiles
- book meetings
- send message for future discussion...

Please make sure that you register your profile before the Brokerage event.

Time: October 15th, 2018 at 18:30-19:45

Venue: Radisson Blu

Moderator: [Catherine Bounsaythip](#)

Registration: https://www.lyyti.in/EITRM_PitchandMatch2018

How does it work:

1. After registration, an initial profile will be created for you at "**Pitch & Match**". A confirmation email will be sent to you.
2. If you do not receive this email, please inform us.
3. You can change your password and update your profile and manage your meetings.
4. You can have your profile removed at any time by informing us.
5. The speed-networking lasts **15 minute per session**, therefore, you can have a maximum of 5 meetings during the time allocated for speed-networking at the Brokerage event. You may, of course, extend your discussions beyond the Pitch & Match session.

Looking forward to seeing you all in Berlin!
