Launching Event 'RIS HUB Spain'

Date: 05-10-2021

Time: 10:30 CET

Place: Seville (Casa de la Ciencia: Pabellón de Perú - Av. De María Luisa, s/n) and online

The event will take place in Seville (and online) and will bring together all relevant stakeholders across the EIT Raw Materials network in Southern Europe. It will be focused on the RIS missions, its new strategies for the 2021 – 2027 period. Registration is mandatory: <https://forms.gle/NoWNre4eGIBJX5eE8>

In this hybrid event, the RIS Hub Spain will be officially presented. EIT Raw Materials RIS Hub Spain will run engagement activities in its regional environment (Southern Spain, mainly in Andalusia) with industry, research and higher education institutions, policy makers, public authorities, entrepreneurs and students.
