Christian Masurenko

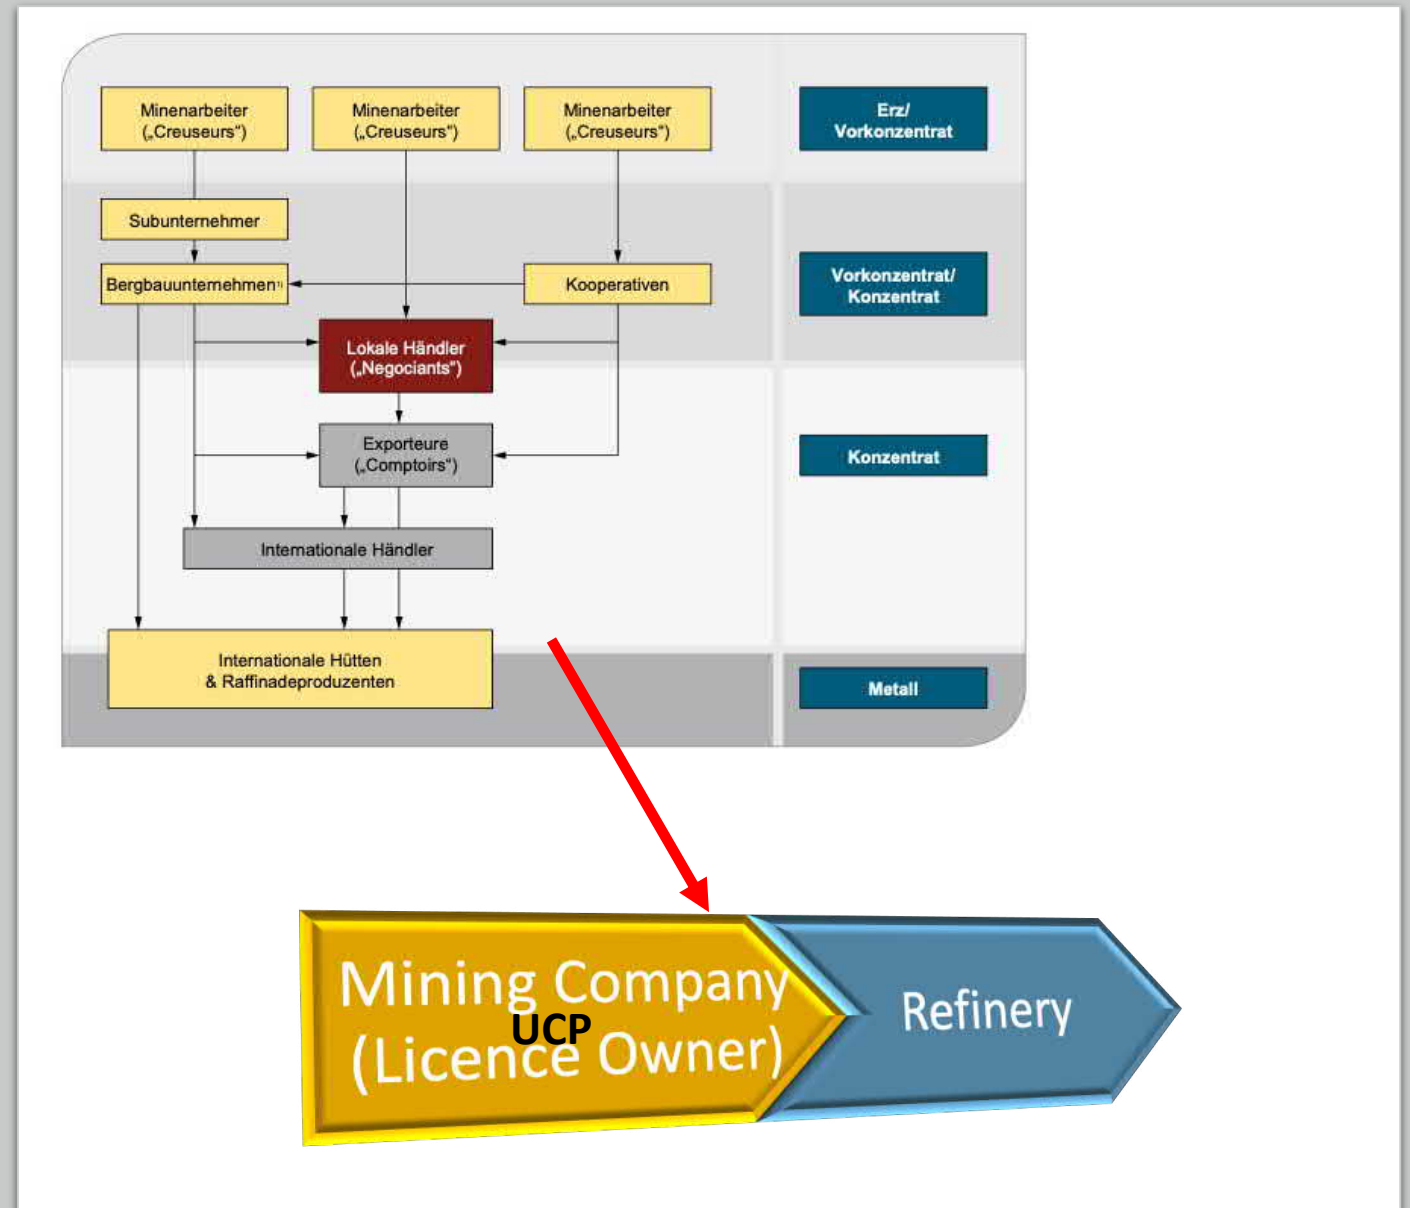

EIT RawMaterials EXPERT FORUM

October 2021

Ta2O5 Concentrates

- 60 % coming from ASM (DERA 2016)
- Mostly illegally mined
- Human rights and Environmental protection neglected
- No benefits for the host country
- Illegal exports
- Super alloys, capacitors, chemical products

Up Cape Partnership

Fair trade – fair pay – safe employment

Transparent supply chains potentially using blockchain in mining (MineSpider)

Economical
